RESORT AMAALA

EQUINOX RESORT AMAALA

Performance luxury by the Red Sea. All. And Nothing. For those who want it all. Equinox is the high-performance ecosystem built on Movement, Nutrition, Regeneration, and Community. We channel a global culture into a protected Red Sea setting at Triple Bay, led by Red Sea Global.

Architecture by Foster + Partners. Interiors by Rockwell Group. Minimal forms. Grounded materials. Tuned for light, acoustics, and calm. Inspired by Red Sea phenomena: blue holes, bioluminescence, salt-carved stone. Expressed through water, shade, and texture. 128 keys across six categories, including two Penthouse Suites, plus 21 branded Residences. Views shaped by the site: open Red Sea shorelines, the Marina's quiet geometry, and desert mountains on the horizon.

OUR DIFFERENTIATOR

MNRC - Movement delivers elite training, tiered coaching, and high-energy classes with measurable results. Nutrition serves food that performs across restaurants, in-room dining, and a curated RoomBar. Regeneration is science-led recovery embedded in design, rituals, and targeted therapies. Community connects a loyal global base with travelers in every space.

DESTINATION

Amaala is the Red Sea's new frontier. Untouched coastline inside the Prince Mohammed bin Salman Royal Reserve. Created by Red Sea Global with strict guardianship and measured access under Vision 2030. Amaala means hope, from the Arabic "AMAL". Triple Bay brings clear water, coral gardens, and desert mountains together in one frame. A pristine stage for clarity, culture, marine discovery, and high performance. Arrival feels private. The energy is future-facing.

ACCOMMODATION

Sleep is the engine of performance. Guestrooms at Equinox Resort Amaala are engineered as 24-hour recovery sanctuaries. Dark. Quiet. Cool. Deep blackout, advanced sound isolation, precision climate control, and circadian lighting create optimal sleep conditions. Handcrafted mattresses made in Greece use natural latex, coconut fiber, horsehair, cotton, and seaweed to regulate airflow and temperature for sustained recovery. Intuitive in-room digital tools place full control at your fingertips, from room settings to spa and experience reservations. AM and PM Rituals guide focus and downshift through movement, breathwork, and meditation.

The RoomBar features adaptogenic teas, hydration tools, nutrient-rich snacks, and performance-driven essentials. Grown Alchemist AM and PM skincare completes the experience. Every detail is intentional.

HIGH PERFORMANCE

High Performance is the foundation of the Equinox experience. Every space is engineered to build strength, accelerate recovery, and sharpen focus. Training is intentional. Regeneration is precise. Time is respected.

THE SPA

Hi-Tech. Hi-Touch. A 1,602 sqm recovery destination featuring seven treatment rooms, including a couples suite, anchored by Equinox's signature seven-circuit experience. Scientific beauty treatments by Biologique Recherche are integrated with lymphatic therapies, hyperbaric oxygen, and advanced contrast temperature modalities including cryotherapy, infrared sauna, MLX Detox Dome, and ice baths. Mineral water therapies continue through the Spa Grotto with hydrotherapy pools, whirlpool, cold plunge, Finnish sauna, and steam room, extending to the rooftop Magnesium Vitality Pool to support deeper sleep, nervous system reset, and recovery.

THE CLUB

The largest fitness facility in AMAALA, spanning 704 sqm of indoor and outdoor training environments. Extensive strength and cardio zones are complemented by a dedicated Pilates Studio, Group Exercise Studio, Outdoor Fitness Pavilion, and Courtyard Exercise Platform. Personalized assessments anchor each journey, followed by expert-led personal training, Tier X coaching, private Pilates, and a full schedule of land and water-based classes designed to elevate strength, mobility, and flow.

SWIMMING POOLS

Four outdoor pools support both training and recovery, including a 20-metre lap pool, two leisure pools, and a rooftop magnesium salt pool with 360-degree views over Triple Bay and the Marina Yacht Club.

FOOD + BEVERAGE

Food that performs. Flavor forward. Function first. Local where it matters. Intelligent macros without compromise.

- Mint + Co is the daily engine. An airy light-filled boutique Café, specialty coffee and artisan teas. Fresh bakes and smart retail, on the go, chill or performance work space.
- Soho Souk is a modern social house radiating New York energy. Sharable moments for a lively scene. Wood-fire Pizzas, premium cuts & prime burgers, and fresh Red Sea sea-food in a beach side setting overlooking Hijaz Bay.
- Sama Ai is dinner at elevation. Japanese elegance with Middle Eastern boldness & vibrancy. Marina-View terrace, Temaki counter and curated mocktail bar for clean pairings.
- EQX Magnesium Pool, quiet by design is a vitality hub offering stunning 360° views over AMAALA. Stress relief in a serene setting.
- EQX Den is the quiet charge, an intimate jewel-box setting besides the grotto with calming warm textures, mood lighting and tranquil water reflections.
