Paradise Found

Celebrating an extraordinary natural habitat, The St. Regis Red Sea Resort presents a rare vision of exquisite living. The resort is situated in one of the world's natural hidden treasures, in unexplored enclaves surrounded by a pristine coral reef. The destination artfully blends the brand's visionary spirit, avant-garde style, and bespoke service with a progressive new benchmark for sustainable development.

Live Exquisite

A rich environment for leisure time, the resort offers a collection of 90 overwater and beachfront villas, each with a spacious footprint. Creating an atmosphere of immersive experiences, the resort includes an outdoor pool, high-tech fitness center, signature spa and "Little Treasures" kids club. Every stay is enhanced by the St. Regis Butler service, alongside a curated selection of signature rituals designed to transcend the ordinary.

Iconic Location

The Red Sea destination offers an exclusive opportunity to explore the region above the water, under the water, and in land. The water-sports program will allow guests of The St. Regis Red Sea Resort to discover pristine waters, including the “Blue Hole”. For land-lovers, there are opportunities for hiking, scrambling, and dining experiences in the surrounding wilderness.
