

DESIGNED TO MOVE YOU

The Red Sea EDITION is an extraordinary destination designed for connection — to unspoiled nature, modern hospitality, and vibrant Saudi culture. Personalized service elevates every moment, blending EDITION's lifestyle DNA with the island's elemental beauty.

A full-spectrum lifestyle of wellness flows through innovative fitness programs, restorative spa sessions and health-forward menus. The property's design honors the softness of sand dunes, inviting both reflection and vibrant socialization, while sustainability programming reflects a commitment to preserving and enhancing Shura Island's pristine habitat.

DESTINATION

Set on Shura Island, at the heart of The Red Sea, The Red Sea EDITION captures the essence of barefoot luxury — where the desert meets the sea in perfect harmony. Designed for discovery, the resort offers effortless access to vibrant marine life, pristine beaches, and awe-inspiring landscapes that define the region.

From exploring ancient wonders to simply surrendering to the calm rhythm of island life, every experience celebrates the beauty and spirit of Saudi Arabia's west coast.
